FREQUENTLY ASKED QUESTIONS

Playa
Way

CAN I STAY LONGER THAN 4 WEEKS?

Yes, most guests stay longer. The job we help arrange for you lasts for as long as you want. In respect of the accommodation, the reps in the resort will advise you on the cheapest and best accommodation available as they have all the contacts and knowledge of the local resort.

WHAT HAPPENS ABOUT FLIGHTS?

We will find the cheapest flights for you to your chosen resort and advise you how to book them. For your return flights, the reps will advise you on how to book your flight back to the UK. We advise you don't book this before you arrive unless you are 100% sure of your return date.

HOW MUCH SPENDING MONEY SHOULD I BRING?

This really depends on how much you want to party. However, here are our recommendations:

- ✓ Zante 450 euros (Minimum)
- ✓ Tenerife 450 euros (Minimum)
- ✓ Ibiza 550 euros (Minimum)
- ✓ Ayia Napa 450 euros (Minimum)
- ✓ Magaluf 450 euros (Minimum)
- ✓ Malia 450 euros (Minimum)

Some guests in the past have brought less and been fine, some have brought more and blown it all, its really up to you.

WHAT HAPPENS ABOUT WORK AND PAY?

When arriving in the resort and after your party introduction your reps will discuss jobs/work with you. They will advise and position you in either a bar, club or restaurant with work.

Once in that job, the employer will deal with all of your requirements. However, Playa Way will help with all legalities/work permits should you need them. The employer will tend to pay you cash in hand on a daily or weekly basis.
